

Rusty Pilots -- Chesapeake Sport Pilot Open House

At this eye-opening seminar we will help you understand what's changed in aviation since you last took the controls and also brush up on your aviation knowledge. Life may have gotten in the way, but the dream of flight can be yours again! Returning to the skies is not as difficult as most rusty pilots think. We're inviting you back in the cockpit and will help you get there. Come and participate in a FREE Rusty Pilots program with fellow lapsed pilots. The Rusty Pilots program is developed by AOPA in partnership with local flight training providers in order to create the best environment for getting you back in the air and a part of the general aviation community. Don't miss out. Click the link below and register TODAY.

Directions: The Chesapeake Sport Pilot hangar at Bay Bridge Airport

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
